

Please add the following new claims:

- B2
12. A portable apparatus which is provided with a printed circuit as claimed in claim 8.
13. A mobile phone comprising a printed circuit as claimed in claim 8.
14. A mobile phone as claimed in claim 13 wherein the capping layer of the printed circuit constitutes the housing of the mobile telephone.

REMARKS

In the outstanding Official Action, restriction was required as between Claims 1-7, drawn to a method to providing, and Claims 8-11 drawn to print circuit board with capping layer. In response, Applicant hereby elects Claims 8-11 for an examination on the merits, without prejudice to Applicants' right to subsequently file a divisional application directed to the nonelected method claims.
